

WhatsApp Group Consent Form

At Telford Netball Club we endeavour to keep you updated in respect of times and dates of matches, cancellations of matches or training, changes in training location or time and/or any other relevant information. In order to provide the information as quickly and effectively as possible we propose to add you to a WhatsApp group controlled by the coach in charge of the team your child is a member of.

The WhatsApp group will only contain parents or guardians of the members of each respective team and, if necessary, other coaches or committee members of Telford Netball Club. The WhatsApp Group will only be administered by the team coach who will monitor conversations. Abusive and/or offensive language will not be tolerated and will lead to termination of your membership to the group.

By consenting to becoming a member of the WhatsApp group you are confirming that:

1. You are happy for your contact number to be accessible by all members of the WhatsApp group;
2. You will **NOT** (unless expressly agreed with the relevant party) use or share the contact details of any other member outside of the WhatsApp Group (*excluding contacting the coach directly*).
3. You will not use abusive or offensive language or any sort within the group.
4. You are aware you can leave the group at any time without notice or reason.

Participant Consent Form

What is Consent?	
Consent is a legal definition that simply means that you are competent and capable to make a decision once you have received adequate (or enough) information..
